

I made the art of blending (MIXOLOGY) my life because I think that it is the common denominator of everything that belongs to human beings. Everything around us is the result of an equation that balances our emotions. Cocktails are a balance, sometimes unstable... like us.

**Federica Geirola**  
**Bar Manager, Brand Ambassador**

A handwritten signature in black ink, reading "Federica Geirola". The script is fluid and cursive, with the first letter 'F' being particularly large and stylized.

**Frozen products** - Some dishes may be prepared with raw materials that are frozen or deep-frozen at origin.

Raw materials / Cut down food - Some fresh products of animal origin, as well as raw served fish, are subject to a quick temperature cut down treatment in order to guarantee quality and safety, as described in HACCP plan as per CE 852/04 and CE 853/04 regulation.

**Allergens** - The guest is kindly asked to inform waiter / waitress before order about the need of dishes with no presence of allergens. During the preparation, cross-contamination cannot be excluded. Therefore, our dishes might contain the following allergenic substances as per UE 1169/11 regulation, see Attachment II

**Attachment II:** seafood and seafood-based products, clams and clams-based products, shellfish and shellfish-based products, cereals with gluten, eggd and eggs-based products, soia and soia-based products, milk and milk-based products, sulfur dioxide and sulfites, shelled fruits, celery and celery-based products, lupins and lupins-based products, peanuts and peanuts-based products, mustard and mustard-based products, sesam seeds and sesam seeds-based products.

**Water:** In our restaurant we serve microfiltered drinkable water
